## Police warning follows bogus charity collection in Bridport

BRIDPORT police have warned that "charity" collectors shaking buckets in the town centre last Friday (June 7th) may not have been all they seemed.

Police believe the "fundraisers" were in fact working for a profit making organisation, falling foul of rules governing collecting money in public places.

Bridport police's Scott McGregor said: "You may

**by Chris Denne**  
[chris@pemedial.co.uk](mailto:chris@pemedial.co.uk)

have seen individuals dressed in green with collection buckets, wearing identity cards and leaflets that purported or gave the impression that they were from a bona fide charity organisation.

"Upon enquiry they were selling a news bulletin about cancer in children

and organic healthy eating."

However police and other official bodies believe the organisation they represent are in fact a profit making organisation, something they did not make clear to the public.

PC McGregor continued: "Under close scrutiny jointly with Dorset Police, Dorset County Council Trading Standards and West Dorset District Council Licensing Department it is believed the group are not working within the spirit of the law surrounding charitable licensing collections controlled by the Charities Commission."

The group was also sighted in Weymouth over the weekend and are be-

lieved to be part of an organisation that was in Bridport in early February this year.

Bridport police now want anyone who gave money, bought a newsletter or were approached by members of the group to get to tell them about it via a special form.

PC McGregor said: "I ask you to take a few moments to complete the questionnaire and forward it to myself at Bridport Police Station, or post direct to Dorset Trading Standards."

"This will help ascertain

■ PC Scott McGregor

if offences have been committed and ensure for the future that the money you intended for a worthwhile charity will not go to dubious organisations who are exploiting the generosity of the public."

The questionnaire can be found on Bridport Town & West Bay Safer Neighbourhood Team Facebook page.

You can ask to see a valid charity license collections permit issued from WDDC

licensing to know that collections are being done within the rules of the charity commission.

Licensing can be contacted on 01305 252441 or via [licensing@westdorset-dc.gov.uk](mailto:licensing@westdorset-dc.gov.uk).

Or if you believe that individuals are selling items under the guise or tenuous link to a charity, then Dorset Trading Standards would like to know and are contactable on 01305 224012.

■ **MARGARET Leicester** was born in London and has one sister, two sons and four grandchildren. She moved to Dorset in 1966 after marrying her husband, Ken, and they bought a detached three-bedroom centrally heated bungalow at Sweethill, Portland, for £4,500.

After 47 years they still live on Portland. Margaret became active on the School PTA, then onto the town council in 1980. She was a member of the governing body of St George's Infant School for 28 years and an independent member of the Verne Prison Review Board for 10 years.

Margaret became Mayor of Portland Town Council in 1985 the same year she joined Weymouth & Portland Borough Council. After a second term as Portland Mayor Margaret retired from the town council after 28 years.

She has served on most borough council committees, chairing Planning and Scrutiny. In 2012 Margaret was made the Mayor of the Borough, a very exiting period attending a garden party at Buckingham Palace, lunch at the Mansion House with the Lord Mayor of the City of London followed by a front row seat at the Olympians Parade.

Margaret said: "I attended various Olympic events and met so many really nice people both here and at our twin town of Louviers last summer. I have also been wine and dined the length and breadth of Dorset by other mayors, collectively known as the Chain Gang."

## ■ WHY do you live on Portland?

We have stayed on Portland because we have grown to love the place, its history and its wildlife. I think we can now say we have been accepted as some locals forget when talking to me that I was not born here and start asking if I remember something from their school days.

## ■ WHERE do you go for your holidays?

When we go on holiday we do go looking for sunshine in the autumn and winter but stay on Portland during the summer enjoying our garden. We have been going to Menorca and Gran Canaria for a last few years.

## ■ WHAT is your favourite time of the year?

My favourite time of year is the summer as I hate being cold.

## ■ WHAT is your favourite film?

I am not sure I have a favourite film. Since moving to Dorset we rarely go to the pictures. Ones that stand

# 60 SECOND INTERVIEW

out in my mind are the war film Odette and Doris Day and Barbra Streisand musicals.

## ■ WHAT is the scariest thing that has ever happened to you?

When you get to my age there are a few. Two car crashes, a wall falling on my son when he was only eight years old and having a thrombosis 20 years ago where they threatened to amputate my leg. Fortunately for me the operation went well, saving my leg thank goodness.

## ■ IF you could live your life again what would you be?

I always used to say I would return as a man because they only ever did one thing. Multi-tasking is not in their DNA. I am not sure I would change my life. I would hate being dictated to by my husband or anyone else. My generation has seen great progress in society's development such as inside toilets, bathrooms, electricity in all homes, TV, things taken for granted today. The list is endless. In the past we played in the streets, never felt threatened, really enjoyed the small things in life and did not miss what we'd never had. No TV showing how much there was to purchase if you had the money, so we were satisfied with our lot. Communities stuck together helping each other. When people have little they appear to take more pride in what they do actually have. Mend and make do, never throw away what can be repaired. This generation may well have to adopt this attitude.

## ■ WHICH three people would you invite to your dream dinner party?

The Queen because she has witnessed even more than me, being older. I'd also invite Nelson Mandela and Paul Newman.

## ■ WHAT would you do if you won the lottery?

Depending on how much, obviously I would pay off the family's mortgages, extend my house and support some of the charities that I have supported over the years to boost their funds. I'd also enjoy even more holidays and ensure my grandchildren received a good education and were financially secure.

## ■ WHAT do you hope the future holds?

I hope to have a relatively healthy life for a few more years yet so that I can continue to enjoy my life to the full.

## Magna slams cuts

MAGNA Housing Association has hit out at cuts which they say have hit older and vulnerable people's services.

Magna - who have pledged to champion older people's housing by joining a national consortium - are now calling for future funding to be protected.

The sheltered and extra care home provider made the statement as they became a member of Erosh, the national consortium for older people's housing and support providers.

Magna joins more than 200 members across England and Wales to lobby the government

and promote good practice within the housing sector to ensure the housing and support needs of older people are met.

One in six people are now aged 65 and over, meaning the proportion of older people in England and Wales is the highest it has ever been.

The number of people counted as very old is also increasing, with those 90 years old or over up by 90,000 in the last 10 years.

As a member of Erosh, Magna Housing Association recognises the need for quality housing and support services to meet

the needs of older people.

Magna's Karen Allan said: "Making sure that there is good quality housing and support service for our ageing population has to be a top priority for government and local authorities.

"We have seen major funding cuts which have hit older and vulnerable people's services, so we want to work with Erosh to ensure that future funding is protected and that best practice is shared to ensure quality housing and support services are maintained."

## CAB set for big increase in enquiries

The chairman of Bridport and District's Citizen's Advice Bureau has predicted a "massive" increase in the number of people needing their help.

Bruce Willoughby made the announcement at the Bureau's Annual General Meeting at Bridport Town Hall on Monday, June 10th.

He said the increases would come about as a result of changes in benefits rules which come into force later this year.

The increases come at a time when the bureau faces what was described as "considerable financial pressure."

The meeting also heard that long-serving president of Bridport CAB was standing down.

The 80 members present heard how Yvonne Skyme MBE would be leaving her role after 32 years service to CAB.

Yvonne established the Bureau in 1981 as an outreach of Weymouth CAB before going on to manage the branch for 13 years.

She was awarded the MBE for services to the CAB in 1995, the year she was appointed president.

Mr Willoughby paid tribute to Yvonne's long service at the meeting, thanking her for her dedication.

It was to be Mr Willoughby's last duty in the role of bureau chairman as under CAB rules the chairman is required to stand down after six years.

Company Secretary, Roy Tarsnane, said that Mr Willoughby had served through six years of difficult changes and challenges.

On behalf of the board he thanked Mr Willoughby for the leadership and commitment to the Bureau he had shown.

A new chairman is to be appointed in July.

## Jodie's hoping for another year at Italia Conti

### LOCAL HERO WINNER NEEDS FUNDS TO STAY LONG ENOUGH TO GRADUATE

A PERFORMER from Bridport is hoping to fulfil a lifelong dream and graduate from drama school.

Jodie Glover, 20, has wanted to be on stage since primary school, appearing in over 30 local productions for schools and community companies such as Open House productions, M.A.D. Bridport Musical Theatre company, B.O.W. and most recently Bridport Young Performers Scholarship (B.Y.P.S.) - nominated this year as a Mayor's charity.

One year through her studies at the prestigious Italia Conti Academy of Performing Arts in London, Jodie has not lost touch with her roots in Bridport.

She said: "BYPS is very close to my heart, as it is a charity I founded in an attempt to aid young performers in their fees for drama schools.

"Since starting the charity in April 2011 I have not only been able to benefit myself and others in paying for tuition but I have worked extremely closely with the charity in promoting it, leading and organising fundraisers and directing three shows."

The scholarship has raised over £8,000 in total, so far awarding over £6,000 to eight members.

The winner of a recent Wessex FM Local Hero Award, Jodie will appear in Bridport Musical Theatre Company's summer show 'Thoroughly Modern Milie' at the Bridport Arts Centre.

Although she has been offered a place to transfer to the second year at the Italia Conti, Jodie is concerned a lack of funding could mean she will be unable to finish her studies.

She said: "I don't think I will be able to afford to stay long enough to graduate.

▲ Jodie Glover with her Wessex FM Local Hero award

"There is no funding for performing arts as a chosen career by way of a student loan, but I am hoping to raise enough funds so that I can stay as long as possible.

"If anyone is interested you can follow my story and my fundraising efforts at [www.youcaring.com/jodie\\_glover](http://www.youcaring.com/jodie_glover)

"I will continue to work with the charity and companies in Bridport but I hope that I will be able to graduate from drama school. It would be granting a life-long wish."

## Views wanted on cutting the number of district councillors

THE Local Government Boundary Commission for England is asking local people how many councillors they think should represent West Dorset District Council in the future.

The move follows a WDDC announcement of plans to cut the number of district councillors by five – from 48 to 43.

The plans have been criticised by non-party district councillors who consider potentially heavier workloads to unfairly hit independents as they say they cannot rely on party support to help with duties.

In a letter to the LGBC, independent Councillors David Barrett and David Tett argue that the focus should be instead on evening out ward sizes.

They said: "No attempt has been made or credence given to the need to even up the excessive unwieldy numbers of the electorate within the oversized wards."

But the six-week public consultation is the first part of an electoral review which will also consider changes to the number, names and boundaries of the council's wards.

Max Caller, chairman of the commission, said: "This is your chance to shape your council for the future."

"We are asking people across the district whether they agree that 43

councillors is the right number to represent West Dorset in the future.

"If you don't agree that West Dorset should continue to be represented by 43 councillors, we want you to tell us your alternative and why you think there should be more, or fewer, members of the council in the future."

"Once we have taken a view on the number of councillors, we will re-draw ward boundaries to accommodate those elected members and we will ask local people to

have their say during that process as well."

The moves are part of a restructuring trend in the county with North, East and West Dorset Councils considering cutting 12 councillors between them.

In North Dorset the number of councillors has been recommended to remain at 33, but with their ward boundaries redrawn.

Further information about the review is available at [www.lgbce.org.uk](http://www.lgbce.org.uk)

They will join Any Questions regular Jonathan Dimbleby who chairs the discussions.

All ticket holders will have the chance to suggest a question to be considered for the show, which is broadcast live at 8pm.

Free tickets will be available from the box office at Bridport Arts Centre on Saturday, June 15th.

# Stop-gap solution for tunnel?

ENGINEERS working flat-out to reopen Beaminster Tunnel have revealed that one landowner could force a section of the project to be treated with a stop-gap measure lasting just five years.

The *View* understands that three out of four landowners have now given full permission for the slopes around the tunnel to be underpinned with soil nails – rods up to 12m long which should stabilise the ground for 120 years.

But one landowner has still not given permission for the technique to be used meaning that one small section of the works will need a temporary solution lasting just five years.

Dorset County Council's Chief

by Chris Denne  
chris@pemedial.co.uk

Engineer John Burrridge, overseeing work on the site, said the dead-lock would not stop the tunnel opening to the revised schedule of late July.

He said: "It won't stop us opening the road at the end of July, but it will be a temporary measure, good for five years."

He said the issue prohibited the installation of just 20 soil nails – out of a total of about 1,000 over the whole project – but he could not rule out having to close the tunnel again while these last few

were eventually put in.

He said: "We are having to re-design that part to find another solution."

Land ownership issues were given by DCC Principal Engineer for Structures, Matt Jones, as the number one reason for delays so far.

He said: "The [legal] process has taken a very long time – arguably more than the work is going to take."

He added: "We don't have all the land issues tied up yet."

The legal machinations must add an unwanted extra dimension to what is already a complicated and difficult operation – with the greensand ridge through which the tunnel runs described by Mr Burrridge as "flowing like liquid" when wet.

The western slope leading up to the south entrance is predicted to remain so wet that a two meter high 'gambion wall' will need to be built to shore it up.

The greensand has also made access difficult over what Mr Jones

described as a "fairly wet spring" which saw the first test nails being driven into the ground through snow.

Since then, abseiling specialists from as far as Inverness have worked alongside mechanical rigs from 7am to 7:30pm on 11 day shifts, driving in as many as 25 soil nails a day.

Mr Jones said: "Ninety-five per cent of the time we could not safely fit any more workers on site."

With 800 of the 1,000 nails now in position, the hope of opening by August is still alive.

But the nails are just part of the picture with concrete walls backing the original retaining walls to be erected, extra drainage to be completed, a reinforced mesh to be laid and hydroseeding still to be done to finish the job.

Mr Jones added: "It's important to state that when we talk about the end of July, we are talking about the opening of the road, which will probably have at that time a two-way traffic light."

"We will still have to be here in August."

The assembled media were left in no doubt that the physical challenges posed by this complex engineering project were being met with dedication, expertise and vision.

But the news that land ownership

issues mean there might still be work to do some years down the line can only add to frustrations in

a town still suffering from the closure of one of its main access routes.

# Arts project launches exhibition

AN ORGANISATION dedicated to supporting emerging artists in their communities has launched its first exhibition.

The Burr Projects Community Interest Company's exhibition of visual arts was created by participants of its Bronze and Silver Arts Award.

Called 'Finding Me In Bridport Museum' the opening was attended by the Mayor of Bridport, Maggie Ray, and her consort Martin Ray. The show runs at Bridport Museum until the end of June.

Seven young people are exhibiting work created during a ten week course using the museum's collection as inspiration and space

at Bridport Youth Centre as a creative studio.

Tara HarlandViney and Nancy J Clemance, both trained Arts Award Advisors, ran the courses part-funded by West Dorset District Council.

Sam Burford who achieved his Bronze certificate in March this year and is now working on his Silver, acted as curatorial assistant to the Bronze group.

The museum's curator, Emily Hicks, said: "It's been great seeing the young people visit the museum regularly and draw inspiration from what is currently on display.

"The standard that they've produced is very

good and each piece sits happily within the collection. I challenge you to find them all!"

Visitors contributed comments to each participant's Arts Award sketchbook.

Participants who achieve accreditation will be presented with their certificates later this year.

Burr Projects CIC is also delivering the Gold Arts Award, with Lizzy Upton

the first participant to start her work with the company.

Lizzy's visual arts work will also be displayed at Bridport Museum this September to the end of October.

More information about Burr Projects CIC can be found at burrprojects.org.uk, by emailing burrprojects@gmail.com or by telephoning Nancy or Tara on 07725 882741.

## BRIDPORT CHAMBER ORCHESTRA Classical Review by Bruce Upton

BRIDPORT Chamber Orchestra was on fine form on Sunday May 26th in a concert for strings under the baton of guest conductor Malcolm Knowles.

The violins, under Alexandra Ennis, produced a beautiful sound, precise and responsive to Knowles' masterly understanding of the scores.

Likewise the middle strings were supportive, though in places the intonation wobbled a little.

Not that this did anything to spoil the stately 'Chacony' by Purcell or the rhythmic flow of Pachelbel's Canon and Gigue.

Robin Carpenter gave a heroic performance of Monn's Cello Concerto, a rarely performed work dating from the 1740s.

The outer movements contained difficult arpeggio sections, whereas the lyrical middle movement sang, beautiful and expressive.

The orchestra excels at accompanying soloists, and the balance be-

tween cello and accompaniment was well maintained.

Even better was to come, with Vaughan Williams prelude to his film music for '49th Parallel', and three short pieces by Frank Bridge.

The Chamber Orchestra tackled these pieces with gusto, and the Vaughan Williams in particular was simply exquisite.

One of the joys of coming to a BCO concert is when we are "educated" with music that is new to us.

To end the concert we were given a taste of nineteenth century Vienna, with two Strauss waltzes and the 'Radetzky March'.

The waltzes need great concentration to play well because they comprise so many sections, each with ritenutos or accelerandos, but under Knowles' experienced leadership the Orchestra succeeded.

It sent us home humming the tunes!

# Countdown to this year's Beaminster Festival

ORGANISERS of the Beaminster Festival are counting down the days until the launch of the week of events.

Tickets are selling briskly with attractions such as the Brodsky String Quartet and Benjamin Grosvenor almost sold out.

Anyone wanting to attend these performances are advised to contact the box office without delay.

The festival is again welcoming The Illyria Open Air Theatre Company, who are bringing their production of Dick King Smith's delightful children's story 'Babe - The Sheep-pig'.

The event is to be performed in the grounds of Beaminster Manor, courtesy of Mrs Christine Wood, who has again made her home available to the festival.

Grounds are open for picnics from 12 noon but there will also be a hog roast available.

Other notable events include a harp recital by Claire Jones – the official harpist to HRH Prince of Wales.

Claire has played for Prince Charles regularly – including at the marriage of Prince William and Kate Middleton.

Also featuring are 'Joglearesa' – the young British/Israeli/Irish/Arabic ensemble who are considered to be pioneers in programming medieval Jewish and Arabic texts.

The group has chosen a programme entitled 'Songs of Sinne and Subversion' – a lively, exhilarating criticism of authority with a contemporary nod to what is happening in the world today.

Also highlighted is Frances Eu-

stage's Thursday lunchtime event '500 Years in the Music Business' which demonstrates the history and work of the Waits, the professional household and municipal musicians from 1300 to 1800.

The following lunchtime (Friday) sees Chris Harris with his witty and informative story of Will Shakespeare's main man, Will Kemp, who is said to have morris danced from London to Norwich – a distance of 125 miles.

Shakespeare is said to have written many of his comic roles with Kemp in mind and Chris Harris' story is bursting with clowning and magical story-telling – "Its brilliant, irreverent and bawdy – a side-splitting laugh a minute" is just one of the reviews that Chris has received over the years.

The festival also has a feast of literary events including Huw Lewis

Jones who gives an illustrated talk about the very first ascent on Everest which celebrates its 60th anniversary this year.

Visit beamfest.org.uk for dates and times of all the festival events.

Tickets can also be ordered from

the Yarn Barton Centre 01308 862943.

The festival starts Sunday June 30th.

## Bridport Primary are U11 champs again

EIGHTEEN teams took part in this year's under 11 six-a-side football tournament played in Bridport's St Mary's Field.

The day-long event was described as a huge success in spite of the constant driving wind and scattered heavy downpours.

Competition organiser Lee Cuff said the weather failed to spoil the atmosphere and that the day produced "some brilliant football, great goals, saves, tackles and very hard fought matches from each and every team involved."

The final was between Bridport Primary School and Parrett & Axe Primary School of Mosterton.

BPS reached the final by winning their league with a 100 per cent record in the group stage, eight

wins from eight games - 24 points.

They were then victorious in an extremely tense penalty shootout win over Charmouth in the quarter finals before beating St Catherine's in their semi-final.

P&A reached their first final in recent years by winning two hard fought local derbies. Firstly, they beat St Mary's of Beaminster in the quarter finals before defeating Broadwindsor (this years Kenway Cup winners and their first and only loss this season) 3-2 in a thrilling semi-final.

In the final, BPS defeated P&A 6-1 in a very well contested and supported match to retain the trophy they also won last year.

Organiser Lee Cuff, pictured above, said: "What a fantastic day

of football. Every single player from every team involved has done themselves and their school so proud.

"Despite the worst weather we've ever had for the tournament, everyone involved has had a great day. It has been fantastic to witness the all skill, teamwork and sportsmanship on show and most importantly how much enjoyment and fun everyone - children and parents - have had, which is what the tournament is all about.

"Once again it has showed how much talent there is here in West Dorset."

Lee Cuff would like to thank everyone involved for all their hard work and help in making the tournament such a success.

## Rotary support for fire fighters

A CHARITY helping sick and injured fire fighters was presented with a cheque from the Bridport Rotary Club.

Club chairman Clive Bath handed over a cheque for £600 to station commander Nic Courtice in front of the station's crew.

The money will go to The Fire Fighter's Charity - described by Mr Courtice as "a really impor-

tant charity."

He said: "We are really pleased to be given this cheque. The Fire Fighter's Charity is there so that sick or injured fire fighters have somewhere to go and recuperate if they are injured or sick."

The money was raised at a race night at Highland's End, Eype - an event Mr Bath said was well supported by crews

from Bridport fire station.

He said: "We gave half the money we raised on the night to The Fire Fighter's charity.

"These guys are very supportive of things we have done and we have a great deal of respect for the work they do."

The rest of the money raised is to be distributed to other causes supported by the Rotary Club.

# Grant will help pay *Lady's Mead chosen as 'Coronation Meadow'* for repairs

THE church at Whitchurch Canonorum has been given funds to help pay for much-needed repairs.

The cheque for £7,500 was presented by Dorset Historic Churches Trust (DHCT) at a benefit concert given by the Parochial Church Council of Candida and Holy Cross.

A further £2,500 has been secured from the National Historic Churches Trust.

DHCT chairman Simon Pomeroy said at the presentation: "We are delighted to grant the money to such a unique Grade I listed church, it being the only church other than Westminster Abbey to have a saint's shrine intact."

The funds come after inspections discovered subsidence in the bell tower.

Parochial Church Council Lay-Chairman, Ms Win Maynard, said the funds could not have arrived at a better time.

She said: "This grant is most timely as we now have not only the cracked pinnacle mentioned in our grant application but also a recently discovered cracked gargyle."

Some of the money has been earmarked for the repairs to a subsided floor in the bell tower.

External stonework repairs are planned for later in June.

A WEST Dorset nature reserve has been chosen to take part in celebrations to mark the 60th anniversary of the Queen's Coronation.

Lady's Mead Meadows nature reserve has been chosen as a 'Coronation Meadow' to showcase Dorset's meadows and celebrate the occasion.

The recognition follows Prince Charles' idea to create the special meadows as part of his campaign to protect and encourage traditional meadows, which have been in decline throughout the Queen's reign.

The project aims to identify flower-rich meadows in the UK, such as Lady's Mead, and use wild-flower seeds to restore 60 new meadows and secure the UK's wild-flower heritage for the next 60 years.

The Coronation Meadows event falls on Dorset Wildlife Trust's Meadow Weekend on June 15th and 16th, where DWT are inviting people to come and re-discover the flora and fauna which can be found in their beautiful meadows.

Debbie Watkins, West Dorset Living Landscapes Manager for Dorset Wildlife Trust, said: "Our traditional wildflower meadows are not just the pretty faces of our country-

side. They are vital resources for our future.

"Not only do they support diverse and interesting communities of rare and uncommon plants, they are food sources for our bees, insects, a habitat for our birds, butterflies and small mammals and provide the stepping stones for wildlife to reach out into our farmland, community spaces and gardens."

On Saturday, June 15th the Kingcombe Centre will be open for refreshments and light lunches in the Conservatory Cafe, with an exhibition and celebration of the most beautiful meadows in Dorset.

On Sunday, June 16th, the Kingcombe Centre has a fun packed day lined up for everyone to enjoy the

meadows which surround the reserve.

After a plant folklore guided walk, visitors can celebrate Father's Day with a roast dinner in our Conservatory Cafe and then take a tour of Lady's Mead, guided by a DWT conservation expert.

The events at the Kingcombe Centre, Toller Pocorum, Dorset DT2 0EQ are suitable for all the family.

The guided plant folklore walk on June 16th starts at 10am. The Father's Day lunch (two or three course Sunday roast) is from 12:30pm-2pm. Prices start from £10.55 per head and booking is essential. Lady's Mead guided walk starts at 3pm. For more information contact 01300 321409.

## World music comes to Bridport

BRIDPORT'S schoolchildren are being given a taste of world music thanks to a Bridport Arts Centre scheme.

Pupils and staff from four of the town's primary schools – St Mary's, Bridport Primary, St Catherine's and Symondsburry – got the ball rolling by meeting musicians from education group Musiko Musika.

The children will be back at BAC later this month for a four-day residency with the musicians – the education arm of South American band Quiman-

tua – in a project entitled 'World Music Academy on the Road'.

The project uses singing, percussion and instrumental skills to introduce participants to different world music styles and cultures through a series of workshops.

Kate Wilson, BAC's Learning Co-ordinator, said the centre was delighted to be hosting the scheme.

She said: "It's not often we get the opportunity to offer such a musically and culturally diverse

project to schools and we know how excited they are after our introductory session last week.

"We are very grateful to (arts education agency) WAVE for funding which has made this project possible."

The project culminates in a final World Music Day concert at the arts centre on Thursday, June 20th at 11am.

Limited free tickets for the concert are available at the BAC box office on 01308 424 204 or online at [bridport-arts.com](http://bridport-arts.com)

## Dorset HealthCare recognised by UNICEF

THE NHS body responsible for community healthcare throughout Dorset has been recognised by UNICEF for promoting infant breastfeeding.

Dorset HealthCare's Community Health Services were awarded UNICEF's level two accreditation in its Baby Friendly Initiative which aims to promote breastfeeding around the world.

The initiative was set up in 1991 following a growing body of evidence showing breastfeeding had multiple health benefits for both baby and mother.

The scheme was introduced to UK hospitals in 1994 with community healthcare services eligible for accreditation four years later.

The UK has one of the lowest rates of breastfeeding in Europe, with just 78 per cent of infants breastfed from birth, and only one in five babies still receiving breastmilk at six months.

The county's attempts to change attitudes have seen Dorset join 46 other community healthcare services in the UK reaching level two UNICEF accreditation.

A further 43 community healthcare services in the UK have full (level three) accreditation – something Dorset can aim for after a further year's analysis of its progress.

Responsible for a host of services in the community including breastfeeding support services,

district nurses and health visitors, the trust achieved the accolade after 60 of its staff were quizzed by UNICEF assessors.

Fiona Haughey, Associate Director, Children and Families, for Dorset HealthCare said: "This is an outstanding achievement by all staff and should be particularly reassuring for Dorset's young families."

The county can be doubly proud of its efforts to encourage breastfeeding, with Dorset County Hospital one of only 49 maternity hospitals in the UK with full accreditation.

Only one in four hospitals in the country have reached this level.

## Magna team raise £2,000 for air ambulance

MAGNA'S 'Mad Mariners' raised over £2,000 for a local charity in when they took to the paddle at Sherborne Castle Country Fair.

The housing association crew raised £2,000 for the Dorset and Somerset Air Ambulance when they took part in the fair's gruelling Dragon Boat races.

The 17-strong-team completed in three races at the bank holiday event at Sherborne Castle.

Team member, Mark Hatton, said: "Although we didn't win, we had great fun. I think our lack of training hampered us at the start but our times got quicker and quicker as the day went on. We'd like to thank our colleagues, friends and family for supporting us and helping us to raise a fantastic amount for the Dorset & Somerset Air Ambulance."

The DSAA has been well supported by Magna in recent weeks with eight of its employees completing the charity's coast-to-coast cycle challenge, raising over £1,000.

## Dorset Fire & Rescue Service needs you

DORSET Fire and Rescue Service is celebrating four years of its volunteering scheme during National Volunteers Week.

Keen to recognise the hard work and support DFRS volunteers give to their communities, all 60 current volunteers have been invited to have cream tea with Assistant Chief Fire Officer Ben Ansell.

During the week, the volunteers attended the volunteer centre recruitment fairs in Bridport and Dorchester to increase numbers, raise the profile of their work and offer home safety advice to the public.

Mr Ansell said: "Since launching the scheme four years ago, volunteers have attended hundreds of events, meetings and initiatives in their local com-

munities. All with the aim of helping these communities stay safer.

"They are an amazing asset, allowing us to enhance the service we offer to our most vulnerable communities."

Dorset Fire and Rescue Volunteer Co-Coordinator Nicky Jenkins said: "We are always looking for new recruits to help with the challenging and rewarding opportunities on offer.

"Our volunteers work alongside the firefighters based at their local station and are provided with a uniform and full training."

She added: "If you can spare a few hours a month to make your community a safer place to live, please contact me on 01305 252698 or email [volunteering@dorsetfire.gov.uk](mailto:volunteering@dorsetfire.gov.uk)"

AN ORGANISATION hoping to rescue a Bridport landmark has joined a new scheme to raise funds for their cause.

The Bridport Area Development Trust has already raised over £2million to restore East Street's Literary and Scientific Institute, but the organisation needs a further £200,000 to help secure the listed building's future.

Otherwise known as 'The Old Library' the building has fallen into disrepair since the library relocated in 1997 and is currently on the Buildings at Risk Register.

To help reach its goal BADT have joined the Giving Machine scheme.

The initiative raises cash for causes by inviting retailers such as Amazon and Tesco to donate a small sum to a chosen cause each time a purchase is made via the Giving Machine website.

It doesn't cost the buyer a penny – all they have to do is register at the Giving Machine website and remember to login whenever they want to make an online purchase.

BADT's Crystal Johnson said: "It's really easy – I've already raised 47p just by buying just a couple of small things from Ama-

zon. It doesn't cost any more than shopping direct, you just need to register once and you can still use any vouchers or discount codes on the individual sites.

"Most of the big name shops are on there, including the major supermarkets (if you do home delivery shopping), Amazon, eBay, Marks and Spencer, Next etc.

"All your help and support would

be really, really appreciated."

Simply register at [thegivingmachine.co.uk](http://thegivingmachine.co.uk) and search for the Bridport Literary and Scientific Institute.

If you want to find out more about the project find Bridport-Literary-and-Scientific-Institute on Facebook.

Alternatively find them on Twitter: @BridportLSI

# Call for 'living wage' in Dorset Charity brunch for Father's Day

CAMPAIGNERS calling for employers to pay workers in Dorset a 'living wage' have launched their campaign in Bridport.

Living Wage for Dorset (LWD) argues that employees, communities and taxpayers would all benefit from paying workers a living wage of £7.45 an hour – significantly more than the national minimum wage of £6.19 an hour for workers over the age of 21.

The LWD campaign was rolled out at Bridport Town Hall where speakers from community groups, political parties and union representatives presented the case for paying a living wage.

Clare Moody from Unite the Union, Karen Ellis from Bridport Labour Party, Anne-Marie Vincent from the South West Dorset Multicultural Network and Emily McIvor, spokesperson for the South West Green Party, all called on employers to start taking the idea seriously.

Members of the audience also recounted personal experiences of living on a low wage and discussed ways that a campaign would work in practise and highlight good employers.

LWD describes Dorset – dominated by the agriculture, hospitality and service industries – as one of the country's low pay economies.

They claim Office of National Statistics fig-

ures reveal 66,000 workers in the county – over one in four – earns less than the living wage.

One in five workers in the UK – 4.82million – fall below living wage standards, according to figures released by accountancy firm KPMG in October 2012.

Research carried out by LWD also found:

- Average pay for full time workers in Dorset is at least five per cent lower than the national average, with pay as low as 19 per cent lower in South Dorset;
- Women continue to earn approximately 80 per cent of their male counterparts;
- Dorset's employment is under-represented in high-pay industrial sectors of the economy with only 11 per cent of the workforce found in high pay sectors, below the national average;
- Dorset's employment is over represented in low-pay industrial sectors, compared with both the national average and the South West region.

LWD say that a typical family of two working parents – one full time, one part time – who are tenants in a privately rented home and who have two children under 16 would be better off to the tune of £550 a year if they moved from minimum wage to a living wage, while at the same time saving taxpayers £3,370 in Tax Credits and Housing Benefits.

Neil Duncan-Jordan, spokesperson for LWD said: "Low pay is associated with poor job security and treatment, fuel poverty, expensive housing costs, lower educational attainment, reduced mental health, suppressed economic demand and debilitates the human spirit.

"These are all costs that society has to bear when things breakdown. But the Living Wage offers a win-win for employees, employers and tax payers.

"Employees get a higher income and see their living standards rise, employers get a workforce with improved morale, less absenteeism

and increased productivity and the tax payer saves huge amounts of money because they are no longer subsidising low wage employers by having to top up people's earnings with benefits and credits.

"This is an idea supported by all the main political parties, major employers like Barclays, as well as the Church of England."

For more information about the campaign contact Mr Duncan-Jordan at nduncanjordan@ntlworld.com

Large Leakers baps filled with Denhay bacon, Balsons' sausages and an optional free-range egg will all be sold in the cricket pavilion in aid of charity. Vegetarians are offered a filling of large field mushrooms and egg.

LOCAL dads are to be celebrated at a special charity fundraiser this Father's Day.

John and Pauline Bale of Bridport's Highway Farm have organised a brunch on the day (Sunday 16th) to be held at Symene Sports Club in Symondsburry.

Baps will cost £6 – smaller children's version £1.50. All money raised will go to Prostate Cancer UK and Cancer Research UK, which is supported by the Coastal B&B Group.

Alongside the brunches, guided walking tours of Bridport's iconic Colmer's Hill will be organised; so if you've never seen the view from the top of the hill, or fancy a bit of exercise reacquainting yourself with it, here's the chance.

There are two ways to approach the 45 minute circular excursions – to build up an ap-

petite for the brunch or else to walk it off.

Adult walkers will be asked for a 50p donation to the charities. Children – who will not be charged – will enjoy the added attraction of a sweetie trail.

The tours leave at 10am, 11am and 12 noon.

A cake stall will also be available at the event, as well as a food raffle to celebrate Bridport's Food Festival with first prize a £300 Luxury Food Hamper and a host of edible prizes all supported by local businesses.

## LET THESE LOCAL BUSINESSES MAKE YOUR GARDEN GLORIOUS

### John Bright - Fencing & Gates

**JOHN** Bright Fencing was formed in 1982 by John and Bridget Bright and in 2003 was joined by their daughter Beth in the family business. Initially the business was erecting fences but in 1994 larger premises were purchased allowing us to open a Country Store at Salway Ash. Our site also comprises of a workshop. Therefore, John Bright is now your one stop shop...for sheds, fencing, gates, animal feed, everything for the householder, gardener, fencer, small holder or farmer! When you visit our Country Store you will be greeted by Davina, Chris or Philip, where you can browse or they are happy to give advice on fencing or any of our products. The fencing is not just wooden, as now galvanised parkland railing is very popular, together with chain link fencing, rabbit wire - to keep them in or out, stock fencing and barbed wire for the garden or field. Our delivery service is twice weekly. We have four teams of fully experienced fencers who erect all types of

fencing, we offer a free estimating service, where either John or Chris will visit your property giving sound advice which will be followed by a written estimate. In the workshop, our competent carpenters turn out hardwood garden furniture, softwood and hardwood gates and doors to any design, dog kennels, poultry housing etc. Our display area has all sizes of apex and pent sheds on display together with lovely Summer houses, which allow

you to enjoy the sun but keep out of the sneaky winds, also picnic tables, arches, garden panels and animal housing. All in all well worth a visit...

### Sherborne Turf

**FROM** our location in the picturesque village of Trent, Sherborne Turf has been supplying the gardeners of Dorset, Somerset, Hampshire and Wiltshire with quality lawn turf and garden products for over 35 years. Our turf is grown in high quality farmland which forms part of The Trent Estate, using a unique blend of grasses that will knit together to form a firm base, negating the need for potentially harmful netting that could pose a trip hazard and be costly to remove.

Supplying the local area with fresh turf cut to order, low 'turf miles' mean our grass is green in more ways than one!

At Sherborne Turf, our product range has expanded to meet the needs of our customers. Garden soils are stored under cover

in winter ready for delivery in bulk bags, along with a variety of top dressing, bark, mulch and compost for the serious gardener.

Deliveries are made using our own fleet of vehicles and drivers experienced in the handling of turf and associated products. While the trade standard for deliveries is 'kerb-side', our drivers understand this is not always practical for your gardens, and so we will always endeavour to place your items as conveniently as possible for you, subject to suitable access.

All of the staff at Sherborne Turf have experience of the items we sell, so for assistance on any aspect of your garden project, please give us a call on 01935 850388. Office hours are 8am to 6pm Monday to Friday, and Saturday mornings during busy periods.

### Green Thumb

▲ A Leather Jacket Infestation.

▲ A Leather Jacket Infestation - After Treatment.

**GREENTHUMB** regularly attend to over a thousand lawns in West Dorset alone and this past season it has come to our attention that the unusual weather patterns have contributed to a plague of leather-jackets affecting lawns. If you are not familiar with this pest, it is the larval stage of the Crane Fly usually prevalent in Early Autumn, which lays its eggs in the lawn to hatch and become adult leather-jackets through the winter, spring and early summer. These eat plant roots and when they occur in any numbers they can literally consume the lawn from underneath. They attack lawns at random and occurrences may not follow any identifiable pattern i.e. your neighbour may have them and you may not, or vice-versa. This is due to a variety of varying factors like soil temperature, lushness of lawn, wind-exposure, length of cut.

**WHAT CAN YOU DO:** If you notice areas of grass doing really poorly, brown patches coalescing into larger ones, you may have the first sign of an outbreak. It is important to catch the outbreak early. Leather-jackets are capable of devastating a lawn. If you are worried you can dig along the fringes of these areas and physically identify the worms. It is often possible to lay an impervious item, like a doormat, or similar on the lawn and the worms will appear underneath it overnight.

Treatment is very effective and can stop them in their tracks! Thereafter the lawn recovers very quickly. If you are at all concerned please call us on 01308 482500. We can help!

Our amazing lawn care treatments will give you a lush, weed-free lawn that will make you the envy of your friends and neighbours.

We suggest four treatments which are applied annually to keep your lawn looking great.

Our treatments start from £15.00 and cost less than DIY

**Words & photos by Chris Denne**

HUNDREDS gathered at West Bay's showground to soak up the sun and take in the spectacle that was the 37th Annual West Dorset Vintage Rally.

Organised by the West Dorset Vintage Tractor and Stationary Engine Club, the two-day event is a must for anyone who delights in the tractors, engines, cars, bikes and paraphernalia of yesteryear.

Mayor of Bridport, Maggie Ray, arrived in traditional style by vintage fire engine – accompanied by her consort, husband Martin Ray – to take in the show.

Working vintage engines powered agricultural machinery and demonstrated how to turn lumber into timber planks the old fashioned way, while rows of old-time vehicles of every shape and colour showed off their owners' dedication to restoration and preservation.

The show arena entertained the crowds with displays including dog agility from the Honeysuckle Display Team and the choreographed spectacle of the Lyme Bay Majorettes.

Meanwhile the beer tent, food stands and market stalls offered visitors everything under the glorious summer sun while they wandered between displays.

Sue Thompson – who has been club secretary for 25 years, and who was chairman for this year's event – was delighted with how the two-day event went, singling out the auction as evidence that interest in vintage mechanics and memorabilia was as strong as ever.

She said: "It's gone brilliantly. The car park has been full twice over.

"Hundreds of people came to the auction – there was very little left over. We had 700 lots and almost everything went."

**EVERYDAY CYCLING  
FOR EVERYONE!**

**15 - 23 June 2013**  
# BikeWeek

**BIKE** Week, the UK's biggest mass participation cycling event, will take place between 15 - 23 June in 2013. Bike Week events offer something for everyone; from families, schools and companies, to seasoned cyclists and those who have never cycled before.

2012 saw almost half a million people taking part in the celebrations of cycling across the UK. This year, Bike Week is asking the nation to dig out their bikes, get back on the saddle and fall in love with cycling all over again!

#### ABOUT BIKE WEEK

**Bike Week** is an annual opportunity to promote cycling, and show how cycling can easily be part of everyday life by encouraging 'everyday cycling for everyone'. Demonstrating the social, health and environmental benefits of cycling, the week aims to get people to give cycling a go all over the UK, whether this be for fun, as a means of getting around to the local shops, school, the library or just to visit friends.

As the **biggest nationwide cycling event**

in the UK, Bike Week encouraged over half a million people to join in events, rethink their everyday journeys and switch to cycling as the most convenient way to get around.

#### EVENT ORGANISERS

#### GET INVOLVED

Cycling can easily be part of everyday life and Bike Week want to make this happen. Cycling has become increasingly more popular and this year we challenged people to rethink their everyday journeys, and switch to cycling as the most convenient way to get around. Samsung Bike Week encouraged participants to make 'everyday cycling

for everyone!'

Bike Week for the second year hosted 'Britain's Biggest Bike Fix' - an ambitious attempt to fix as many bikes as possible during one week. The aim of the Bike Fix was to liberate thousands of unused bikes from sheds across the country, by encouraging people to dig them out and get punctures fixed, brakes adjusted and gears tuned, to get bikes (and the UK) fit for the summer. ### SPIERS & BODEN AT LYME FOLK WEEKEND

Duo set to bring the inaugural event to a close

BRINGING this year's Lyme Folk Weekend to a close will be one of the British folk scene's most popular and vibrant live acts - and it might be quite a while before you get to see them again in these parts.

John Spiers and Jon Boden, the duo who have thrilled audiences up and down the country for the last decade, are taking a break from their near relentless touring in order to concentrate on the many projects they have become involved with over the years.

Perhaps best known as the founders and driving force behind folk supergroup Bellowhead, Spiers and Boden play fiddle, guitar, assorted squeezebox instruments, a stomp box and both sing - a combination which has led to them being described as a two-man-one-man-band.

Their music is equally at home being played to 50 people in the intimate setting of a back room of a pub and 10,000 on the main stage at the Cambridge Folk festival.

Mojo magazine said: "They've recorded five rapturously received albums and generally given the British folk movement its biggest shot of energy and inspiration for years."

But the pair announced earlier this year that their many solo and collaborative projects were soon to take priority as they make their next nationwide tour their last for the foreseeable future.

Lyme Folk Weekend's inaugural festival kicks off on Friday August 30 and comes to an end with Spiers and Boden at the Marine Theatre on Sunday September 1st. Tickets for all three nights - plus all weekend passes - are selling fast but some are still available from the festival's website. [www.lymefolk.com](http://www.lymefolk.com).

Catch Spiers and Boden while you can - it might be your last chance.

# The Agony and The Ecstasy of Steve Jobs

Mike Daisey's monologue on the former Apple boss comes to three Dorset venues

AFTER a sellout season in the Edinburgh Festival Fringe 2012, Mike Daisey's extraordinary and heart-wrenching monologue "The Agony and the Ecstasy of Steve Jobs" is coming to three West Dorset venues in June. This incredible example of documentary-style theatre stars Grant O'Rourke and was nominated for the 2012 Amnesty International 'Freedom of Expression Award'.

It is an emboldened, passionate diatribe that will make you question what you thought you knew about one of the world's most worshipped brands - Apple. Daisey explores the legality and morality of electronic sweatshops in China, complete with armed guards, underage workers and the harrowing tales of the toxic effects of hexane in these factories.

As one of the most talked-about pieces of theatre to come out of the USA in the last few years it has not been without controversy. After being broadcast and subsequently retracted from the popular radio programme This American Life, this is a tale that has clearly got under the skin of audiences and media alike. As a self-confessed "worshipper at the church of Apple", playwright Daisey tugs at heart strings, and shows how one man's story might not be able to topple an empire, but it can certainly give it a righteous shove.

Steve Wozniak, Apple co-founder, commented to the New York Times: "I will never be the same after seeing that show" and the America press in general

have been effusive in their praise, with The Washington Post calling it "the best original American play so far this year". The UK press have followed suit, with the Guardian hailing it as "a fantastically good story and one that if you have an iPhone in your pocket you won't want to hear".

# Barbara's Back in the Hunt at 115 Club

115 CLUB have stunned the audience again, Sarah Prichard, Ray D'Inverno & Pete Maxfield gave a fabulous and perfect evening of pure musical indulgence. Sarah was divine, the voice superb, Ray was as only could have been expected immaculate on the keys and Pete, well what else can be said, but his bass licks and harmonious timing creating the perfect backing to complete this wonderful line up.

On Thursday, June 20th, Pete returns, this time to add his faultless bass to Barbara J Hunt's soulful and pure vocals. Having played at 115 before, Barbara knows exactly what makes the audience swoon, this time though bringing fresh new material mixed in with her classics such as "King of my Heart" just one of her stunning tracks featured in films, this one having been a key part of the British film "Confetti". Clearly Barbara's voice is equal in quality to one of her most inspirational individuals, Joni Mitchell.

When Barbara last performed at 115 Club to a packed house, they applauded with huge appreciation, enjoying every moment of her style and performance. Barbara is a stunning musician, offering soul, folk & a little jazz, with her beautiful vocals lighting up the subtle illumination of the 115 Clubs cellar environment.

## The Travelling troubadour comes to the Palace

*Rory McLeod brings his unique one-man-show to Bridport*

RORY McLeod is a one-man soul band, poet and storyteller, singing his own unique upbeat dance stories, and will be performing an intimate acoustic gig in the Electric Palace bar on Saturday, June 22nd.

Rory is a modern travelling troubadour using tap shoes, a cappella, harmonica, guitar, trombone, spoons, finger cymbals, bandorea, djembe and various percussion instruments. He has travelled the globe over, from Asia to the Middle East, from Gambia to Cuba, Central America, Australia, North America, Canada, Europe and other nooks and crannies of the earth. Working with a wide variety of musicians during his travels, Rory has played harmonica, guitar, spoons and trombone with the likes of Ani Di Franco, Michelle Shocked, Towns Van Zandt, Ali Farke Toure, Flaco Jimenez, Hassan Erraji, Tarika, and Kathryn Tickell to name but a few! Not one to sit still, Rory also

worked as a circus clown and fire eater with a small Azteca family- Mexican circus, touring campesinos, pueblitos and tobacco plantations on the pacific coast and in mountain villages.

Rory was voted Best Live Act at the BBC Radio 2 Folk Awards in 2002. The award was presented by singer and songwriter Vin Garbutt: "Orkney-based Rory McLeod has developed a stage act like no other with his 300mph rap folk delivery and his highly potent, original songs that fearlessly tackle everything from major social issues to the minutiae of everyday life." He was also commissioned in June 2003 to compose the music for Aardman's award-winning animated series Creature Comforts.

Come and enjoy a cosy bar gig at the Electric Palace on Saturday, June 22nd; just £7 entry on the door (no advance tickets).

# ENERGISE

Stay fit and healthy in West Dorset

## 12 weeks to fitness at Bridport Leisure Centre

Over the next twelve weeks Energise will track the progress of Rob's personal fitness training at Bridport Leisure Centre.

### Week One

Rob's training programme started with a full body assessment to review his current health and fitness levels. The assessment highlighted that Rob's main goal is to focus is on weight loss, with a long term aim of reducing his weight to less than 100kg. To get him on track, we have set smaller goals for Rob to achieve during this 12 week programme by targeting a loss of 2lbs a week, whilst still maintaining his lean muscle.

Rob's programme will feature resistance training to aid burning calories, dispelling the common myth that cardiovascular training burns more. In fact, increased muscle mass results in a higher metabolism, burning more calories at rest. This will result in burning more calories on a daily basis.

To keep updated on Rob's progress Like the 'Forever Aspire Health and Fitness' page on Facebook.

### Nutrition Tip

Try to stay away from white and processed carbohydrates. Examples of these are white bread, white pasta, chocolate and sweets. By eating these foods it provides your body with a lot of energy for a short period of time meaning your energy levels also crash quickly. Instead, try and eat wholemeal foods such as wholemeal bread, brown rice, porridge or quinoa. These provide your body with a slow steady release of energy maintaining your energy levels throughout the day.

## Critically-acclaimed international classical and jazz musicians come to Branscombe for new festival

THIS summer, stars of the world stage come to Branscombe village for a brand new music festival starring some of the most critically-acclaimed international classical and jazz musicians.

Presented by local resident Ian Rosenblatt (founder of London's only international opera recital series, Rosenblatt Recitals), Branscombe Festival (26-28 July) enables audiences to experience leading international musicians in an intimate, idyllic countryside setting.

For three days during the summer, the picturesque Branscombe village will play host to top opera singers and instrumentalists, as they perform in the village hall and church – culminating in a free concert on Branscombe beach.

Branscombe Festival is hosted by BBC Radio 3 broadcaster and

journalist Petroc Trelawny and performers include: stars of the Metropolitan Opera and the Royal Opera House lyric soprano Ailyn Pérez and tenor Stephen Costello in a rare recital with pianist Iain Burnside; the Carducci Quartet, one of the most successful string quartets of their generation, with a stunning evening of French and British music; and rising young cellist Philip Higham who presents a solo programme of the music of J.S. Bach and Benjamin Britten.

In addition, celebrated jazz ensemble The Leo Green Experience gives a late-night jazz gig, plus Devon favourite Trelights Brass Quintet performs a free beachfront concert to round off the festivities.

Ian Rosenblatt – a London solicitor whose home is in

Branscombe – is a regular supporter of local charities and musical activities, although this is the first time he has presented an entire festival. His recital series Rosenblatt Recitals provides many singers with their London recital debut and he is credited with establishing the careers of some of the world's major opera stars.

He says: "I am delighted and excited that we have this incredible opportunity to present the world's leading stars from opera, classical music and jazz in the intimate and beautiful setting of the village of Branscombe. I hope that this will be the first of many Branscombe Festivals."

## Top blues group The Producers return to The Gateway in Seaton

BACK by popular demand, The Producers play live at The Gateway, Seaton Town Hall on Saturday, June 22nd.

The Producers are something really special, playing the freshest live blues in Britain today. Concerned with feel and attitude rather than slavishly copying 'hand me down' American music, The Producers move effortlessly between their own well crafted material and seriously reinvigorated classics stamped with their own characteristic identity. By not treating the music as some kind of museum piece The Producers are likely to incur the displeasure of a section of the blues hierarchy, however, at the same time they are barnstorming across the country building a massive audience at sell-out club dates and developing an equally impressive reputation that no one can ignore.

Being invited to play prestigious Festival slots is always a sign of a band on its way, however receiving invitations to open concerts from luminaries like John Mayall, Taj Mahal, Dr John, Peter Green and Robert Cray has quickly led to The Producers becoming a major attraction in their own right. With seven acclaimed albums, air play and live appearances across Europe, the States, Australia and New

Zealand, The Producers are now playing headline dates and rightfully assuming a prominent position on blues awards podiums.

The Producers' long awaited new CD and Vinyl record 'London Blues' will be the first album from the band since their 'Live Blues' CD was released in 2000, a gap of 11 years! consequently it is creating lots of excitement within the blues community and the music industry in general. The album features guests Paul Beavis (Go West, Low Riders) Andy Fairweather Low (Eric Clapton, Roger Waters) Ben Waters and five times blues award winner Paul Lamb on Piano and Harmonica respectively with all the material being self penned originals.

Dave Saunders and Harry Skinner formed The Producers in 1990. They went on to be one the most popular blues outfit in the country at that time winning the 'Blues Band of the Year' award four times, releasing seven CD albums one of which 'Ain't No Love in the World' was nominated for the 'Best Blues Album' award..

They regularly sold out venues around the country and were among the first to feature an acoustic set in their show which led to Theatre and Art Centre bookings nationwide, the whole acoustic set became almost de rigueur and every band, blues or otherwise, followed The Producers lead.

They were featured in session on the Paul Jones Blues Show on BBC Radio 2 and have been praised by both Johnnie Walker and Bob Harris. Playing at the Alexis Korner Memorial Concert at Buxton Opera House, they were spotted by Peter Greens management during Peters first major gig and asked to support the Fleetwood Mac guitar legend on his first national tour for 25 years, The Producers also featured on the BBC documentary of the Buxton concert.

Tickets for the concert, which takes place on Saturday, June 22nd at The Gateway at Seaton Town Hall, cost £12 in advance, £15 on the door. See the advert for more details.

# Beaminster Festival Scaling Great Heights!

Sunday 30 June – Sunday 7 July

THE 60th Anniversary of the first Ascent of Everest was celebrated in May. George Lowe was the oldest surviving member of the 1953 British Everest Expedition team until his death in March this year. He collaborated with **Huw Lewis-Jones** - former Curator of the Scott Polar Research Institute and National Maritime Museum - in the writing of his extraordinary journey, starting with his first meeting with Sir Edmund Hillary and their first adventures together, as well as the challenges of the Ascent itself. The allure of Everest remains undimmed, and at this year's Beaminster Festival, Huw gives an illustrated talk on this most majestic of mountains, using the photographic imagery from the private archive of George Lowe.

By contrast, **Joglaresa**, the British/Irish/Arabic Ensemble imaginatively push and transcend the limits of what is often thought of as early music. Their programme of songs focus on connecting ancient and traditional music and combine their experiences of North Africa, the Middle East and the Balkans

For this year's Beaminster Festival, they have chosen to entertain with a programme entitled: *Songes of Sinne and Subversion*. In these times of sleaze, MPs' expenses, the disgrace of Bankers and controversial wars in the Middle East, Joglaresa present a medieval musical feast of anarchy and sensuality, dashed with danger, energy and lots of fun.

For lovers of Shakespeare and devotees of Pantomime, the

Beaminster Festival welcomes **Chris Harris**, the best known 'Dame' of all time! His lunchtime entertainment: Kemp's Jig tells the story of one man's Morris Dance from London to Norwich. Will Kemp, was a famous Elizabethan actor and shareholder with Shakespeare in the Company of the Lord Chamberlain's Men. It is probable that many of the great Bard's comic roles were written with Kemp in mind - Touchstone, Dogberry and Lancelot Gobbo - all of which feature in this dazzlingly witty and wonderful entertainment.

## THE FLEET OBSERVER

THE Fleet Observer is a shallow drafted boat, specifically designed to explore the lower reaches of the Fleet Lagoon. The boat takes hour long tours around the Fleet at Ferrybridge, looking at the natural and local history of this very special area of the Jurassic Coast. Trips run daily weather and demand permitting.

Now is the perfect time to come and see the Thrift in flower on Chesil, enjoy a fantastic sea of pink amongst the shingle. Having arrived in April the little terns are now displaying on buoys and nesting on the bank, whilst sandwich and common terns from further afield are fishing in the

Fleet. The skylark can be heard all around the reserve and hares dart across the maritime grass.

### Full Boat Charters

The Fleet Observer holds 12 passengers and is perfect for educational charters or special trips for small groups. Whole boat and educational charters are available at a discounted cost. We can create a trip around your needs, ask a member of the team for details.

# Opening of new Photographic Archive at County Museum

A GENEROUS legacy has enabled Dorset County Museum to rebuild its Photographic Archive and to ensure its long term future as a unique resource for Dorset. The sum of £100,000 was donated in 2011 by William Butcher, a former farm hand at Shipton Gorge Farm.

During the Second World War, Bill ran the farm - a reserved occupation - and patrolled Chesil Beach as part of his Home Guard duties, often up all night then going straight out at 5am to milk the cows by hand! He and his wife Sylvia had a life-long interest in archaeology stemming from the discovery of prehistoric artefacts on the farm he worked. They were both avid collectors and had amazing collections of boxes, tins, and old cider bottles

Bill Butcher's £100,000 legacy was used to completely rebuild the photographic archive, previously at risk from rain and flood damage, providing improved user facilities and a state-of-the-art storage capacity so that the collection can be both safeguarded and enlarged. Dorset County Museum has almost 50,000 photographic prints, slides and negatives dating back to the mid-19th century - images showing what life was like in Dorset parishes in times gone by, with an extensive

biographic collection telling the story of Dorset people. The new Dorset Photographic Archive is being officially opened on 14 June alongside the brand new Bill Butcher Common Room for use by volunteers and staff. For access to the photographic collection, contact Val Dicker on 01305 262735.

Dorset County Museum has many other projects for which donations would be most welcome. If you are considering making or changing a will, giving to charity is easy and straightforward, and can pass on some excellent tax advantages as all legacies left to charities are free of inheritance tax.

By including Dorset County Museum in your will, you are helping to preserve its many collections and protect them for future generations. No matter how small your gift, your contribution will make a difference. You may leave a donation to be used for general purposes, or, like Bill, you can specify a particular purpose for your legacy.

For more information see the website on [www.dorset-countymuseum.org](http://www.dorset-countymuseum.org) or contact Dr Jon Murden, Museum Director, on 01305 262735.

# Electric Palace to screen *La bohème* Joint concert from local music groups

OPERA lovers will be in for a real treat on July 5th, with a special live 'pocket version' of Puccini's 'La bohème', performed by the Nationale Reisopera in association with Dorset Opera Festival, at Bridport's art deco venue the Electric Palace.

The Nationale Reisopera (the Dutch National Touring Opera) is the Netherlands' major touring company. It tours up to five original-language productions per season to sixteen major theatres throughout the country.

The Reisopera believes that the opera stars of tomorrow deserve today's attention. As well as touring large main-stage productions (in 2013 these will include Wagner's Tristan und Isolde and Rossini's Barber of Seville), they also produce smaller-scale 'pocket-operas'. These are especially created for and by their team of young resident artists – singers, directors, designers and musicians – all of whom seek

to gain performance experience at the dawn of their careers. These artists are selected from a pool of international candidates – the pursuit of excellence being the Reisopera's primary goal.

In an exciting collaboration with the Dorset Opera Festival, the Nationale Reisopera comes to the UK for the very first time this summer with a live pocket version performance of Puccini's *La bohème*, their aim being to cross the borders of our culture-loving nations to present opera as a living, ever-changing and ultimate art form.

*La bohème* will be sung in Italian with English subtitles. Director: Christian Carsten; piano and music director: Cameron Burns.

Tickets cost £16 (plus booking fee) in advance from Bridport TIC (01308 424901) and seetickets.com, or £18 on the door. Doors open 7pm, with the performance from 8pm.

The cast of *La bohème*

TWO local music groups, West Dorset Music Community Orchestra and Bridport Voices, would be delighted to have your support when they venture out into the public domain with a joint concert on Wednesday, June 19th at 7.30pm in Bridport Town Hall. Tickets can be bought at the door on the concert evening and children are welcome to attend free. Interval drinks will be available.

West Dorset Music Community Orchestra meets for weekly rehearsals at the Christian Fellowship Hall, East Street, Bridport on Wednesdays from 6.30pm to 7.30pm and welcomes instrumentalists of all ages and abilities from adults to youngsters. Some have orchestral experience, some have only recently started to learn an in-

strument, while others have renewed their interest after a break of several years. The Orchestra is run in partnership with local music cooperative, Strawberry Music, and is directed by Walter Brewster. There are opportunities for tuition on clarinet, saxophone, violin and viola and also theory lessons. If you are interested in joining the Orchestra or starting tuition, further information can be found on [www.westdorsetmusic.org.uk](http://www.westdorsetmusic.org.uk)

Bridport Voices is a lively community choir led by vocal coach, Penny Duncombe, who welcomes people to the group whether or not they have any experience

of singing.

The group is always happy to welcome new members, so if you are interested, please contact Penny on 01308 868608 or [penny.duncombe@gmail.com](mailto:penny.duncombe@gmail.com)

Each of the groups will share some of the music rehearsed in recent weeks and show that corporate music-making is fun and a rewarding experience.

Tickets for the concert are £5 for adults, available on the door.

## Juke cleans up with flexible new diesel

LOWER emissions, greater fuel economy, reduced noise and more torque – these are just some of the benefits of the latest 1.5-litre dCi diesel engine now in the Nissan Juke.

Since its launch in the UK at the end of 2010, more than 19,000 Jukes – around a third of all sales – have been powered by the 1.5-litre dCi engine. With a host of improvements the new engine is expected to be even more popular.

The changes have boosted maximum torque from 240Nm to 260Nm at 1,750rpm, with 80 per cent of this figure available from just 1,500rpm to improve driveability. And with CO2 emissions of only 109g/km and combined fuel economy of 67.3mpg, the new unit is the most efficient engine in the Juke line-up.

The improvements have been achieved thanks to a host of technical changes.

These include revised piezo-electric fuel injection nozzles, which now have a more precise spray pattern for better combustion (with as much as 15 per cent less unburnt fuel) and a new, more responsive, low-inertia variable geometry turbocharger fed by a more direct – and more efficient – air intake path.

In addition, a closed-loop low-pressure exhaust gas recycling (EGR) system, in which the exhaust gas is cooled before being re-introduced to the intake system, has helped ensure the unit is compatible with forthcoming Euro6 emission regulations.

Other changes include a new thermostatically-controlled variable displacement oil pump which reduces internal friction by adapting automatically to the engine's needs and oil viscosity.

The new diesel features low friction enhancements including diamond-like carbon (DLC) coatings for the tappets and now also features Nissan's automatic Start/Stop system. With highly efficient smart management technology the engine restarts within 0.5sec of the clutch being engaged. Reduced combustion noise further enhances the unit's overall refinement.

Changes have also been made to the gear ratios.

The 1st and 2nd ratios are a little shorter to allow sharper responses at low speeds, while the remaining four ratios are slightly longer, taking advantage of the improved torque to deliver better fuel efficiency. Over the official combined cycle, the new Juke 1.5-litre dCi returns 67.3mpg as opposed to the previous unit's 58.9mpg, a 14 per cent improvement. CO2 emissions fall from 124g/km to 109g/km.

Fuel efficiency is also helped by the use of the Nissan Dynamic Control system, which enables the driver to select from three engine settings – Eco, Normal and Sport. This system now not only selects appropriate pedal sensitivity settings in Eco and Sport modes, but also limits maximum engine torque in Eco mode to 220Nm. In Normal and Sport, the full 260Nm is available. The unit's overall power output remains at 110PS while performance figures (109mph maximum speed, 0-62mph in 11.2sec) are

also unchanged. The new generation engine will be available across all Juke grades excluding the NISMO.

The best-selling model is expected to be the n-tec, which showcases new technology such as the latest Nissan Connect communication centre. As well as new navigation software and a 5.8-inch colour touchscreen, the system incorporates advanced features such as Google Send-To-Car, which allows an owner to plan a journey on their PC or tablet at home or in the office and then send the instructions to the car ahead of the trip.

"As well as the obvious advantages of lower emissions and improved fuel efficiency, the higher levels of torque from the new engine mean greater flexibility and more refined cruising as well enhanced in-gear performance around town," said Paul Wilcox, Senior Vice President, Sales and Marketing Nissan in Europe.

fax 01297 444981Lanehouse Bridport goes **BiG** with £500 free fuel offer

WITH the cost of fuel on the rise, it will come as welcome news that local Vauxhall retailer, Lanehouse Bridport, is on hand to help motorists in the area save pounds at the pumps.

Between Friday 14th June and Monday 17th June, the dealership is hosting a Big Event, where new car customers will be able to drive away with £500-worth of free fuel\*, as well as taking advantage of a range of offers and discounts.

The free fuel offer is even available on Vauxhall's hot newcomers, including the full-size Cascada convertible and the fashionable A-sector ADAM.

Customers with a budget in mind can now purchase the new urban-chic ADAM with one year's free insurance on a Flexible Personal Contract Purchase (PCP) plan.

And if that was not enough, those who purchase a Vauxhall Corsa at the dealership on Shoe Lane during the event can also take advantage of one year's free insurance, which is available on a range of Corsa models.

Dominic Avery, Company Director at Lanehouse Bridport explains: "We're delighted to announce that we are hosting the Vauxhall Big Event, which will give customers the opportunity to take advantage of a range of fantastic offers and incentives, from helping to cut costs at the fuel pumps to discounts on accessories.

"What's more, customers can make big savings on new cars including our very

latest new models such as Cascada and ADAM, too."

**Flex Appeal**

To make purchasing a new Vauxhall car even easier, customers at the retailer can take advantage of several payment options including the manufacturer's innovative Flexible Finance offer.

With zero per cent APR representative, nil deposit and a Vauxhall deposit contribution of up to £2,000, Flexible Finance allows customers to tailor their finance to suit their personal budget. All buyers have to do is choose their new model, decide on a deposit, which can start from as little as zero and select any term between 24 and 60 months, or 24 to 48 months on ADAM.

This means that customers could, for example, take to the road in a Corsa 1.2 SXi for just £179 per month, over 60 months with a £500 Vauxhall deposit contribution and a £2,280 customer deposit.

**Accessorise More**

Customers who attend the Big Event at Lanehouse Bridport can also get 20 per cent off all Genuine Vauxhall Accessories.

From sat navs and iPhone and iPad cradles to cargo liners and more, motorists can choose from a vast array of equipment, the cost of which can be incorporated into a customer's Flexible Finance package, with payments from as little as an additional 86p/month.

Dominic Avery concludes: "The Big Event provides a great chance for local

motorists to explore the latest range of vehicles and discover more about the range of savings on offer.

"We'd like to invite anyone in the area looking for a new car to come along to our dealership during the Event weekend

and find out how we can assist them."

To find out more about the Big Event and the promotions available, please contact Lanehouse Bridport at St Andrews Industrial Estate, Shoe Lane, Bridport, Dorset DT6 3EX. Alternatively, call 01308

## Netherbury Presentation Evening

# Ambers celebrate silverware at annual presentation

NETHERBURY Football Club had an extra reason to celebrate their Annual Presentation Night this year having won the Perry Street Division One Cup by beating Mistrerton 3-2 in the final in April.

They also finished a creditable third in the league, five points off eventual winners West & Middle Chinnock, in a tightly contested league campaign which saw them win 13 times, drawing twice and losing just three times.

Presentations were held at The Tanners pub in Bridport and were followed by a race night to raise funds for the club. The evening was completed with music from Disco Dan.

Two former players who had been in Netherbury sides who had won the cup in former years attended the event to help celebrate the recent win; Roger Dowle who played in the 1959/60 winning side, and Johnny Welsh from the victorious 1969/70 team.

Manager Andy Loudon said the evening had been a great success and would like to thank all those who supported it and helped organise the event.

## Bridport & Beaminster Pool League

# Burststock Grangers take the honours

■ **THE NEARLY MAN:** Kevin Wheeler of Beaminster Red Lions' Re Hot Shots who was runner-up in both the Singles Knockout and Player of the Year

NOT only did Burststock Grangers take the League title, their team members also walked away with several of the individual honours when Beaminster & Bridport Pool league held their finals night at the Knapp Inn, Beaminster last week.

The team representing Beaminster Social Club won the league by 18 points but in addition Ben Frampton beat Kevin Wheeler 4-3 to win the Singles Knockout, and then teamed up with colleague Bill Studley to win the Doubles Knockout by beating Colin Barnes and Richard Legg 4-1 in the final.

Meanwhile Nick Sculley who was named Player of the Year after winning 41 frames (79 per cent) also won the Doubles Player of the Year award with Tim Frampton, another of the winning Burststock Granger team.

Nelson's Flagship from the Lord Nelson, Bridport won the Team Knockout Cup, defeating Tanners Rack'n Rollers in a close run 11th frame decider.

Pocket Rockets won the Team Shield from the King's Head, Bradpole who beat Pocket Full of Balls from the Bridport West Dorset Club 6-4 in the final.

The league is always looking for new talent and anyone interested in forming a team to join should contact the League Secretary before the end of June. Details can be found on the web-site <http://www.beaminsterbridportpoolleague.org.uk>

## Potter is new Robins boss

ANDY Potter has been appointed as the new manager at Charmouth Football Club writes Howard Larcombe.

Potter (35) follows Phill Morris who stood down at the end of last season.

Potter and new assistant manager Paul Grinter were elected at the club annual meeting last week.

The new Robins boss told **View Sports:** "It's an honour to be given the opportunity to manage Charmouth FC. It's a great club with a good group of players that Phill has brought together.

My plan for next season is to continue to bring the young players through and push towards the top of the (division two) table.

Potter has considerable Perry Street League experience having played for Charmouth, Netherbury, Drimpton and Millwey Rise. He has also played for Bridport and had trials with Arsenal as a 16-year-old.

■ **STEPPING UP:** Andy Potter

Charmouth are set to commence pre-season training with sessions taking place on Wednesday evenings at 6.30pm.

Plans to resurrect to Charmouth Reserve team having fallen flat with nobody coming forward with a viable management line-up.

Committee member Mike Smith said: "As a committee we wanted ideally a manager and assistant along with, ideally, a third person to help out. But this wasn't forthcoming. We will therefore not be requesting admission at the League annual meeting tomorrow but will hope to give the extra players we have available a series of friendly matches throughout the coming season."

## Motor Racing

# Sims seeks another double

TWO days of speed hill climb action kicks off bright and early this Saturday morning with the Three Clubs meeting at Manor Farm in Charmouth.

There are a number of contenders for the outright win with competition coming from the top three single-seater racing car classes in cars with engines ranging from 1600cc through to 2000cc.

On Saturday Ralt RT3 duo John Opie and John Burton take on the RT33/34 SRD of father and son team Roy and Dave Sims. The latter took the 'Fastest Time of the Day' at the September 2012 meeting and will be looking to repeat the double win.

Weymouth's Westfield double act Geoff and Graham Blake will contest the Modified Specialist Production Car over 1800cc class with their two-litre SEi. With Geoff having recently lowered his own class record at Wiscombe Park he will no doubt have aspirations of lowering Mike Rudge's

record of 26.99 seconds.

Spectators will surely witness some rapid motoring in the three capacity divisions of the Modified Limited Production Car category. In the up to 1400cc split Mark Shillaber, who currently leads the Bridge Tyres and Wheels Point 5 South West Championship with his BDH engine Ford Fiesta, will be seeking to improve his points tally with a fast time whilst in the 1400-1800 class regular Vauxhall sparring partners Gordon Iles and Andy Stoddart will be battling with their Tigra and Nova. The rapid combination of Colin Satchell and his lightweight Peugeot 205GTi are favourites for the honours in the 1800cc - 2600cc class.

Frampton driver Stewart Green takes his 1300cc Sylva Riot up against the two litre Westfields of class record holder Andy Cawsey, recent double Wiscombe winner Mike Williams and Michael Ford, in the large engine capacity class

of Roadgoing Specialist Production Cars, whilst in the 1400-1800 category Exeter driver Roger Coote shapes up to Westfield pilots Ian Hodgson, Jan and David Yeo as well as the Caterham 7 Superlight 'R' of Sherborne's Graham Vingoe in his Ginetta G4.

Dorset drivers Craig Moore and Tim Porter have enjoyed some epic battles already this season and the war is about to be rejoined as the Lyme Regis Ford Cortina driver Moore seeks to repel the challenge of Darrian T90 pilot Porter who will no doubt be anxious to reclaim his class record which he lost to the current Wiscombe champion in September of last year.

◆ **Gates open for the practice runs at 08.30 each day with the event starting after a break for lunch. Both meetings are scheduled to be completed by 17.30.**

WITH STUART BROOM

## Contrasting results for big two in run-up to clash

DORCHESTER recorded their second win of the season with a four wicket win over fellow basement battlers Winton to set up an exciting derby match with Weymouth at The Rec next Saturday.

Weymouth warmed up for the encounter by taking a pounding off league leaders Parley who amassed over 300 runs at Dean Park, and despite a superb 95 from Paul Payne were still 86 runs short at the end.

**Dorset Funeral Plan League Premier League****WINTON 164 ALL OUT LOST TO DORCHESTER 165-6 BY 4 WICKETS**

DORCHESTER recovered from the previous week's defeat by Swanage by nailing their second league win of the season led by a patient 59 not out by Quenton Miller who carried his bat.

Skipper Dan Belt had been the hero with the ball when Winton batted, taking four wickets including one with his first ball, as the hosts struggled against a wayward county town attack that conceded 47 extras.

Sam Goodhew claimed a brace and there was success for Miller, Shaun Little, Pete Moxom and Phil Morley who all claimed a wicket.

In reply Winton were almost as generous conceding 40 extras, but Miller also received support from Goodhew (16), Belt (19) and Pete Diffey (17) that saw them home with ten overs to spare.

**PARLEY 308-3 BEAT WEYMOUTH 222-6 BY 86 RUNS**

PARLEY, having already amassed 1268 runs this season at an average of 60 runs per wicket, continued their superb start to the season by increasing that average as they posted a score of 308-3 against Weymouth.

Opener Sam Collins carried his bat for a magnificent 127 not out and with Mark Morley (61) put on 104 for the first wicket.

He then enjoyed a second wicket partnership of 128 with Tom Jacques (71) as Weymouth toiled in the sun at Dean Park; Laurie Whyte (2-48) claiming both the wickets.

Jonny Armfield (1-27) was the only other successful Seaside, bowling captain Roahan Embalagama for 22 in the last over.

Despite the daunting task, Paul Payne got Weymouth off to a flier, his 50 coming from 57 balls, and they had nearly reached three figures on the board before losing P Gordon (20) and Jonny Armfield for a duck to leave them 97-2.

Although Dean Janaway (9) went cheaply, Will McKay (37) added 66 for the fourth wicket with Payne who was eventually out five short of a deserved century on 95 which included 14 fours and one six, as Weymouth edged their way closer.

However, despite a late flourish from Harry Tucker (20 not out), Weymouth fell 86 runs short of their target with every Parley bowler bar keeper Jacques getting a chance to bowl.

**Division One**  
**WIMBORNE & COLEHILL 2ND 128-5 BEAT MARTINSTOWN 127 ALL OUT BY 5 WICKETS**-THE hosts leapfrogged Martinstown into second place with this victory.

Skipper Danny Dancer won the toss and eventually decided to bat on a surprisingly green wicket.

It looked like a good decision as Dave Herbert (27) and Lee House (19) opening in the absence of Ed Nicholls, made a good start until Herbert pulled a hamstring going for a quick single. In a lot of pain he decided to go for the big shots and was eventually out with the score on 43.

This led to a mid-order batting collapse with only one of the next five batsmen scoring more than four, as Martinstown slumped to 56-5 and then 70-6 with only Rob O'Brien (14) reaching double figures.

Fortunately Danny Way came to the rescue and his 46 including five fours

and two sixes saw the visitors pick up two batting points.

Martinstown came out fighting when they took the field and with Stu Fry (2-35) and Chris Read (2-29) bowling with intent, Wimborne & Colehill found themselves 13-2.

However, Kevin Hall (24 from 101 balls) dug in and with Simon Woodruff (37) they built the basis for the victory with a third wicket stand of 72, Hall falling to Way (1-16 from 7 overs), four runs short of victory with almost 14 overs to spare.

Dancer said: "We were poor with the bat, but our bowling and fielding display was excellent."

"It's a shame about Dave, and we'll assess the situation midweek as we are without Ed again next week where I hope we can bounce back against Bere Regis."

**Division Two**  
**BEAMINSTER 118 ALL OUT LOST TO SHILLINGSTONE 291 ALL OUT BY 173 RUNS**

BEAMINSTER captain Will Everitt conceded that they were beaten by a very good side, and that the score didn't reflect his side's efforts in the field.

"Most teams have three or maybe four players who on their day can turn a game their way with an inspired batting or bowling performance; Shillingstone had at least nine."

"We thought we had done very well in restricting Shillingstone to 194-7 and thought that maybe we could get them out for around 220, which would have given us a chance."

"Then Chris Baker who was a former captain of Broadstone came in at nine and absolutely pulverised the bowling, scoring 50 off just 17 balls. He com-

◆ **TOP SPELL:** Jack Walklett took 5 for 6 for Broadwindsor

pletely changed the dynamics; all but four of his 76 runs off 38 balls came from boundaries. He then broke us with 4-7 when it looked like we might make a fist of it."

The visitors won the toss and decided to bat, but Beaminster looked to be in a good position with Julian Davies (1-58) and Ross Baker (2-57) slicing through the top order to leave Shillingstone on 36-3.

However a solid 70 from opener Nick Marshall with support from Ian Paulley (26), George Wayman (49) took them towards the 200 mark despite a wonderful spell of bowling from Mark Barber who deserved much better figures than his 5-65 had he not suffered from Baker's onslaught later.

It was Baker's arrival at the crease that took the game away from Beaminster and he and Martin Upshall (24) added 81 for the eighth wicket, Baker finally last man out caught by Everitt off Wes Lewis (1-14 off 2.5 overs).

Davies (20) and Simon Jones (27) gave the hosts a solid start with an opening partnership of 45 and Richie Runyard (11) helped take the score to 65, but the introduction of Baker (4-7 off 9 overs) saw a middle order collapse with the loss of six wickets for just 17 runs, and it was only a swashbuckling 33 not out from Murray Legg that saw Beaminster reach 118 all out.

Everitt added: "Their batsmen never allowed us to get on top; attacking our

bowling right from the start, but we stuck at it and I was pleased that we picked up maximum bowling points."

"Mark Barber's length was spot on and he bowled very tidily; on another day it could easily have been 5-40, whilst Wes Lewis who was bowling at the death did very well."

"Baker was hitting everything back over the bowler's head, so he adjusted to stop him doing the same to him and eventually got his wicket."

Lewis has joined from Bridport and Everitt said: "No disrespect to Bridport, but I think he felt he just wanted to test himself at a higher level. He bowled very intelligently and his agility around the field is another plus."

**Division Three**  
**DORCHESTER 2ND 211-2 BEAT CATTISTOCK 207-7 BY 8 WICKETS**

DORCHESTER 2nds won this local derby following an unbeaten 170 third wicket partnership between Pete Phillips (95 not out) and Rhys Cole (79 not out).

Winning the toss Cattistock decided to bat, but lost captain Ben Golledge who looped a catch to Josh Foot at point off Pete Horne.

However Jon Legg (63) and Martin Langford (39) put together a dangerous partnership of 101 before Langford hit a full toss to Chris Clarke at mid-off followed by Legg who was caught at mid on by Aaron Oliver, both off the bowling of Foot (2-15).

Billy Walbridge scored 37 but with no other batsman able to contribute too much they posted a score of 207-7 with Stuart Beasley (2-28) and Joe Power (2-48) both grabbing a brace.

Phillips and Colin Edney (21) made a solid start for Dorchester, putting on 36 for the first wicket but when Edney mistimed a shot to cover and Clarke (1) got a snorter from Bradley Damen they found themselves 41-2.

Despite trying eight bowlers, Cattistock couldn't budge Phillips and Cole, playing his first game of the season and they saw the county town home, with Phillips five short of his century in another excellent knock.

Skipper Beasley said: "This was a fantastic win against a team that were lying second in the league, and we knew that some of their players could do a lot of damage, but we managed to keep them fairly quiet."

"It was very pleasing to see Pete bounce back after last week, and also great to have Rhys back and start off with a great score."

**PORTLAND RT 311-5 BEAT PARLEY 2ND 179-8 BY 132 RUNS**

PORTLAND RT moved into second spot after defeating lowly Parley 2nds. Simon Proffitt scored 110 not out, and there was support from Chris Leake (43), Elliott Sawyer (30) and Gareth Price (38).

Scott Males and Simon Barrett both claimed three wickets as Portland ran out winners by 132 runs.

**WEYMOUTH 2ND 238-9 LOST TO CERNE VALLEY 255-4 BY 17 RUNS**

BOTTOM side Weymouth 2nds almost sprung the surprise result when they came within 18 runs of beating league leaders Cerne Valley, and at one point were within 50 runs of victory with seven wickets standing.

Cerne won the toss and decided to bat against a Weymouth side boosted by the inclusion of Kieron Womble, Simon Browne and Tom England. They made a good start but good, economical bowling from Tim Guyett (1-43) and Graham Puckett (1-37 from 12 overs) pegged them back.

However captain Neil Kellaway (125) and Simon Green (44) who put on 89 for the third wicket laid the basis for the visitors total of 244-4.

England (22) and Womble put on 62 for the first wicket, before Browne joined in to take the score over 200, but their departure; Womble for a splendid 110 and Browne, a thumping 71; Wey-

mouth disintegrated as Dave Portch (6-66) took control of the situation.

**Division Four**  
**SHERBORNE 2ND 185-8 BEAT BRIDPORT 180-7 BY 2 WICKETS**

DESPITE half centuries from Rod Gay and Ollie Lee, Bridport suffered a two wicket defeat at Sherborne for whom M Lock carried his bat for 95 not out.

Batting first Bridport suffered a blow losing Mark Smith (7) and Toby Hall (0) with 11 on the board. However Rod Gay (51) and Duane Gay steadied the ship with a partnership of 69, Duane batting particularly well for a mature 32.

Ollie Lee then stroked a superb unbeaten 54 enjoying an unbroken stand of 75 with brother Alex (17 not out) that saw Bridport post a score of 180-7 in their 45 overs.

Lock was the immovable object in the Sherborne reply. He enjoyed partnerships of 47 with P Hammond (18) and 41 with R Parfitt (28) before taking command of the situation. Despite some excellent bowling from Alex Lee (4-27) and Smith (3-38), the visitors reached their target with 14 balls to spare.

Stand-in skipper Smith said: "With the ball and in the field we were much sharper and if not for Lock I'm sure the end result would have differed."

"We put pressure on Sherborne with great catches from Duane and Alex and I produced a good c&b."

"In the end we were maybe twenty runs short on winning the game. It was a great game of cricket all round despite eventually losing."

"I am very certain if we perform like this for the rest of the season we won't be on the losing side too many times."

◆ **OLLIE Lee took 2 for 18 as the Dorset Under 15s team (122 for 2) which thrashed hosts Gwent (120 all out) by eight wickets at Abercarn CC last Sunday.**

**DIVISION FIVE NORTH & WEST**  
**MARTINSTOWN 2ND 233-9 BEAT DORCHESTER 3RD 86 ALL OUT BY 147 RUNS**

MARTINSTOWN 2nds won the toss and opted to bat but were quickly in trouble, losing their first three wickets with less than 30 on the board.

However, a fantastic knock of 86 not out from T Brace set up an excellent recovery with A Keeple (19), T Rimmer (14) and B Grossmith (30) all contributing vital runs towards a total of 233-9 from the 45 overs. T Blair was the most consistent of the Dorchester bowlers taking 4-37 from his maximum 12 overs.

In reply Dorchester's batsmen were kept in check thanks to tidy bowling spells from all the home sides bowlers with wickets falling on a regular basis. T Foot provided the only resistance with an unbeaten 39, with G Foot (18) and W Channon (11) the other batsmen making it into double figures. R Ffello was the most successful Martinstown bowler returning figures of 4-32 from 7 overs.

Captain Chris Monteith said: "Having been in trouble early on it was very pleasing to put on such a good total. Tom batted superbly for his 86 and it was great to see runs right through the order."

**BRADFORD ABBAS 168 ALL OUT LOST TO PORTLAND RT 2ND 186-6 BY 18 RUNS**

PORTLAND were made to fight to overcome Bradford in a pulsating encounter that produced cricket of the highest standard.

Portland's openers D Males (80 no) and L West (43) laid the foundations of a competitive total with an opening stand of 84.

In reply Bradford got off to the worst possible start when Tom Dalkins clean bowled Reed for a duck with the fourth ball of the innings.

This brought T Hodge (77) to the wicket, and he forged two fifty plus partnerships as the game swung in the host's favour.

With 82 to win and seven wickets in hand Hodge was caught by Ollie

Thomas in the deep with a contender for catch of the decade as the game took another twist

Once G.Phippen (29) departed clean bowled by Portland skipper J Locke (3-41), Bradford's remaining batsman couldn't get to grips with the off spin of M Barrett as the 15-year-old took the last wicket to finish with figures of 7.1 - 0-38-3

Skipper Locke was full of praise: "We were made to work hard and at times it may have looked like the game was slipping away from us, but this team never give up, stay focused and battle hard."

"Matt bowled with great maturity and as for Ollie's catch well what can I say. Everyone on the team gave 100 per cent and came good when the chips were down."

**Division Six**  
**POOLE 4TH 132-3 BEAT BEAMINSTER 2ND 131 ALL OUT BY 7 WICKETS**

THE start of this game was delayed for 40 minutes due to the Dorset & Somerset Air Ambulance using a spot just beyond the boundary as a landing area for an emergency transfer to Poole Hospital; something that happens occasionally, but with glorious weather both captains agreed no overs would be forfeited.

Batting first Brian Earl (10) and David Hall made a steady start before the former was trapped leg before with 18 on the board.

When Justin Gurd followed without troubling the scorers it brought captain Hugh Rathbone to the wicket. They added 67 for the third wicket before an unfortunate incident broke the partnership.

Rathbone called Hall (26) for a single not realising he had been hit a painful blow on the thigh, who ran despite considerable pain but couldn't make his ground.

The introduction of A Milner (5-23 from 10 overs) quickly accounted for Tony James and Dave Persey and when he caught and bowled Rathbone for 54 it left Beaminster on 115-6.

Although Dave Penman (12) steadied the ship Beaminster were finally dismissed for a modest total of 131 all out. Milner (14) and D Stock (39) put on 42 before Persey (2-39 from 10) bowled Milner and caught and bowled T Sadler for a duck. Although Ollie Boxall (1-35) eventually got Stock, S Currie (39no) and A Murray (17no) saw Poole home.

Rathbone said: "I have played League Cricket for a long time and still it throws up surprises, I have never encountered a delay for a helicopter before!"

"We felt we were 50 or so short and so it proved, but both Jordan Nottley and Lewis Keenan both bowled well and fielded with great enthusiasm."

**CHARLTON DOWN 106-2 BEAT BERE REGIS 2ND 104 ALL OUT BY 8 WICKETS**

SAM Roles produced a devastating spell of bowling, claiming 7-27 to dismiss a young Bere Regis team for just 104 and put Charlton Down back on winning ways.

The visitors won the toss and captain Andy Kent and Lee Thomas put on 22 before the latter was caught behind off Nick Voss (1-25) who bowled with good pace and was unlucky not too have taken more wickets in his opening spell. Matt Stevens' miserly bowling only conceded 10 runs from his opening spell and when Javed Gill (1-18) removed Symes Bere Regis were 41-2.

Roles then struck taking the next six wickets, reducing Bere to 67-7 and being on a hat-trick twice.

A recovery was being built between Oliver and Kent but the introduction of Louis Parkin who bowled with good pace and direction then forced the Bere Regis captain to play on for a solid 40 with the score on 94, before Roles struck again to complete a fantastic spell of spin bowling.

The Charlton Down reply look comfortable before Andy Lambert caught Jae Miller (13) off Oliver with the score

on 19. Jamie Quinten and Luke Voss brought up the 50, but another great catch by Lambert at slip, saw him snaffle Voss (15) off Oliver (2-29).

But an unbeaten third wicket partnership of 56 between Jamie Quinten (35no) and Scotty Parke (31no) saw Charlton Down through to an emphatic eight-wicket victory.

Quinten played elegantly through to the cover boundary and ran intelligently between the wickets for his 35 including six boundaries, whilst Scott Parker produced his best batting display of the season.

Captain Pete Tucker said: "The sun was shining, it was fantastic. No better place to be than on a cricket field; I don't think I stopped smiling all day."

**Sunday Division Two**  
**PORTLAND RT 211-4 BEAT FERNDOWN WAYFARERS 2ND 209 ALL OUT BY 6 WKTS**

PORTLAND RT won thanks to good batting performances by Ryan Price (60), Matt Randall (78) and Simon Proffitt (31 not out).

Earlier Randall also picked up 3-43 supported by Scott Males (2-36) and Oliver Whisker (2-33) as the hosts dismissed Ferndown wayfarers 2nd's for 209 with Alex Sansom (70) top scoring supported by Anthony Ireland (39) and Craig Morris (34).

**SUNDAY DIVISION THREE**  
**STURMINSTER & HINTON 204-6 BEAT SYMENE 144-9 BY 60 RUNS**

THIS match see-sawed but eventually saw Symene producing a damage limitation exercise.

Sturminster's openers put on 65 for the first wicket, but Mark Smith (3-56) and Graham Bartlett (2-34) gradually pegged them back to 159-6. However

◆ **SUPERB FIGURES:** Sam Roles claimed 7 for 27.

Symene failed to capitalise as the hosts topped the 200 mark.

Symene also got off to a good start and after 10 overs were 52-0, but the introduction of the experienced slow bowler Beal (2-6) saw Symene score just eight runs in the next 11 overs. His victims included Mark Smith (30) to a dubious leg before decision.

Behind the clock, Symene never recovered and Phil Hawkins through no real fault of his own, found himself at the crease for 30 overs whilst scoring 34 not out; Bartlett weighing in with 18.

**Readers Mid-Wessex League Division One**  
**BROADWINDSOR 128 ALL OUT BEAT WEST & MIDDLE CHINNOCK 108 ALL OUT BY 20 RUNS**

BROADWINDSOR have to thank debutant Louis Kraukamp for their victory that keeps them tucked in behind leaders Ilchester.

The South African, who turns out on a Saturday for Chard in the West of England Premier League, hit 63 of a meagre total of 128 all with only one other player getting in double figures.

Murray Legg (3-25) and Ade Phillips (1-13) softened up the visiting batsmen to leave them 50-3 before Jack Walklett swept them away with an incredible 5-6 from 6.3 overs to earn Broadwindsor a narrow victory, only J Hayes (46) able to cope.

### LYME REGIS BC

with Paul Moffitt

IT'S been a very good week for the mens' league teams although, the men's 'B' team had a rest as their opponents have withdrawn from competi-

Lyme and Lyme 'A' brought home eight and nine points respectively whilst the ladies had a disappointing two point haul against Greenhill.

The Club played hosts to two touring sides this week, losing narrowly to Bulmers Tour but winning resoundingly on all seven rinks against a touring side from Bittern.

## Crosby Cup benefit from AmSafe gift

THE Crosby Cup competition got a welcome boost recently with the presentation of two new cricket bats from AmSafe, who have entered a team in the limited over competition virtually since its inception back in 1976.

The idea of Fred Bowditch and local builder, the late Colin Crosby, the competition gives local sportsmen who are not regular cricketers, the opportunity to enjoy a competitive but sociable game, with only two recognised cricketers able to play in each team.

AmSafe, formerly Bridport Gundry have entered a team,

The Twisters, for well over 30 years and have won the competition, consisting of a round-robin format with knockout semi-finals, on several occasions.

Richard Betts, Operational Director at AmSafe presented the bats to founder Fred Bowditch before The Twisters' latest match last week.

Crosby Cup organiser Colin Willcox said: "We are very grateful to AmSafe for the gift of two new bats. It is very generous and a much needed boost to our kit which is in need of an update."

## BOB BUCKLER RACING

## Promising debut for Redlynch Rock

DESPITE a shorter trip than he would have liked **Redlynch Rock** put in a creditable performance on his debut for local trainer Bob Buckler in the Visit Newton

Abbot Racecourse On Twitter Novices' Chase last week.

The Irish point-to-pointer who had one bumper race under Paul Nicholls in April finished sixth of eight on his NH debut over fences after a sticky start, but was beaten for pace.

Buckler said: "Apart from the first he jumped very nicely; he has won a p/p race, but 2m was a bit quick for him, he needs 2 1/2m really. We will give him another couple of races this summer to gain experience."

**Never Says Never** warmed up for his date at Royal Ascot next week in his second race over hurdles with a slightly disappointing fourth at Ffos Las in the 2m

32Red.com Novices' Hurdle won by the Nicholl's trained Captain Kelly.

Having had to be held up by Andrew Glassonbury in the early part of the race that was run at a slow pace, the five-year-old was unable to respond when the pace quickened but was galloping on at the end.

Buckler said: "They crawled along at the start and he was fighting Andrew hard, and then when they quickened he couldn't go with them although he kept galloping to the end as they tired."

The Queen Alexandra Stakes is the final race of the 2013 Royal Ascot meeting and at 2m5f is the longest flat race in the British Isles.

"He does stay and it will be a faster run race as it includes flat horses as well."

**Glenwood Present** has only managed one 3rd place so far in his 13 races in a

bumper over a year ago. Since then Buckler and owner Nick Elliott have persevered with the six-year-old who has showed lots of ability in the yard but not been able to transfer it to the racecourse.

Last week's sixth in the 2 1/2 m handicap hurdle at Ffos Las won by Man of Leisure trained by Buckler's neighbour Anthony Honeyball, gave some encouragement that he might be turning a corner.

Under the guidance of 7lb claimer Josh Newman he moved up nicely on the top bend but faded three fences out.

Buckler said: "Josh gave him a brilliant ride, and he moved up nicely and it looked like he might be in contention as we turned at the top of the course, but unfortunately he couldn't sustain it down the finish."

"We will give him another couple of races to see if there is improvement."

# New boss Hughes looking to bolster squad

■ NEW MANAGER: Matt Hughes

by Howard Larcombe  
howard@pemedi.co.uk

MATT Hughes has been appointed as the new manager of Beaminster Football Club. Hughes succeeds Sean Annetts who stood down after four successful years at the 'Rainbows' helm in which he guided the team to the Dorset Intermediate cup final in 2011 and also secured top four finishes in each of the last four seasons.

Hughes told *View Sports*: "I am really excited by being appointed manager of Beaminster Football Club and the opportunity it presents.

"Sean has done a fantastic job and I will look to build on the success he has had with the team.

"As a player I was a winger and striker so I like fast, attacking football. For me it is important to keep the ball, if we have the ball then the opposition can't play. It's vital that we can control the game.

"Formation wise I like to play a progressive 4-3-3 or 4-2-3-1.

"I have experience of managing Ladies and Mens adult teams in the Midlands as well as Warwickshire County teams and I have also worked for the Northamptonshire FA.

"Next season I am looking to build a team that has a good team spirit and is competitive in all the competitions we are in. We have a good squad but I am always looking for players to improve the club.

"We have a great first and reserve team set up, so there are opportunities for younger and more experienced players to play and progress. We have an excellent pitch and pavilion, with good training facilities.

"I will be assisted by Murray Legg and Mark Pattemore and am lucky to have two people who have been great servants to the football club - with their contributions, we will have a good season next term."

Club captain Legg in particular has been an influential figure at the club scoring 103 goals in the last six seasons as well as being a part of the Perry Street League select squad which lifted the Mavis Tate inter-league cup last month.

## Senior's pre-season plans taking shape

BRIDPORT manager Trevor Senior's pre-season plans are slowly taking place with the announcement of six friendlies and names of possible new signings **WRITES STUART BROOM.**

With pre-season training due to start on June 27th, their first competitive match is when they entertain Romsey on Saturday July 13th.

They then welcome Portland United to St Mary's three days later (Tuesday 16th), followed by Weymouth the following Tuesday (23rd).

On Saturday, July 27th they host Chard Town in a double header in a new annual event, yet to be named, where the first team and reserves play their respective opposition with a trophy awarded to the overall winners.

Dorchester Town are the visitors

on Tuesday, July 30th before the Bees travel to their only away friendly of the season at Wimborne on August 6th.

Senior would ideally like to add a seventh game to the list to complete his pre-season programme.

### cup-tie announced

Although the new league fixtures starting on August 10th are not yet available, Bridport do know they will travel to Melksham Town in the Preliminary Round of the Les Phillips Cup to be played the week of October 26th.

The winners travel to Chard Town in the 1st Round to be played week of November 23rd.

Senior has confirmed that two people have come forward in response to our piece last week with regard to helping Andy Hitchcock

run the Bees 3rd team.

He also advised that he is expecting some new faces to attend pre-season training including Sean Lillington who stood in for Sam Filkins last season when he was not available, although he is still expected to play for Wareham Rangers.

The Bees boss has also spoken to Ashley Staines a left sided player with Sydenham Premier League experience who was with Hamworthy United last year, and Matt Morley a wide player who was voted Weymouth Reserves Supporters Player of the Season.

"I've spoken to Brendon King about Matt, and can also confirm that Chickereil United keeper Steve Bloor has also indicated an interest in attending training."
